# SCHOOL NEWS:

## **From the Principal**

I want to give you a heads up about Coe's Science Fair that will take place on Thursday, April 27<sup>th</sup>, from 6:30 to 8:30 p.m. In order to create excitement for this special night, we will have science fair assemblies on April 19<sup>th</sup>. The assembly for the K-2 grades will be from 8:05 to 8:55 a.m. The assembly for the 3-5 grades will be from 9:15 to 10:00 a.m. Jeff Evans, the Science Magician, will be presenting at the assemblies. Thank you to our PTA for their generous support for our assemblies.

Please come look at the many student science fair projects that will be on display at the Science Fair. We will also have programs from Pacific Science Center, UW Bioengineering, UW Materials Center, and parent volunteers running different tables with different science elements.

It is an open house style event - come for 30 minutes or the entire evening. I hope to see you there!

With students in mind,

Virginia

## **Handbook Highlight**

Each week we highlight a section of the Coe Family Handbook:

### **Cell Phones**

*We would prefer that students not have cell phones at school. However, if parents feel their student must have a cell phone the following rules are in place:*

- *Cell phones may not be used during the school day. Staff should never see nor hear the phone. It should be stowed away in a safe place during the school day. There is a basket in the office where students may drop off phones in the morning and pick them up in the afternoon.*
- *Cell phones are brought to school at the family's own risk. The administration will not spend time investigating issues arising from student cell phones such as theft or damage.*
- *Cell phones may only be used, before or after school, for phone calls only; no texting, photography or video recordings.*
- *If staff sees a student's cell phone when school is in session or if the phone is used for something other than making a phone call, the following will occur:*

- a) *First offense: Student is reminded of cell phone policy, cell phone is confiscated, and phone is returned to the student at the end of the day for students in grades 2-5. If a kindergartner or first grader has a cell phone confiscated, it will be returned only to a parent, even on the first offense.*
- b) *Second offense: Staff member will turn the cell phone in to the office. The principal/assistant principal will call the parent, remind them of the policy and will return the phone only to a parent.*
- c) *Third offense: The cell phone is placed in the principal's "June Box" for the parent to retrieve on the last day of school.*
