SCHOOL NEWS:

From the Principal

This is a reminder that report cards are being sent home today for the second trimester. It is so exciting for Lindsey and me to read report card comments and see the growth our students are making. Thank you for partnering with us for your child's success. If you have any questions, do not hesitate to contact your child's teacher for clarification on report card marks or comments.

Please keep the report card but sign and return the envelope to your child's teacher. This way we know you received the report card.

With students' learning in mind,

Virginia
